Date of your event: Apr 13, 2024

I have a confirmed event date with The Avalon Theatre: Yes

A brief description of your event: This event is the International Fly Fishing Film Festival. It is a group of short films about fly fishing in unique locations. This event will be a fundraiser for our organization. There will be raffles, door prizes, and socialization.

Briefly describe why your organization needs this funding: Grand Valley Anglers has had a productive year in the Youth Education area. We have held "casting days" with hundreds of Middle Schoolers where a P.E. class learns to cast with a fly rod. We have taken about 100 students fishing with teachers and parents. We have participated financially in a fish barrier above Paonia Reservoir to protect Native Colorado

Cutthroat Trout habitat. We have grown our membership and we feel very good about our reach in the community.
